

## **2010 Yardley Harvest Day Festival Entertainment**

If you are interested in participating in the 2010 Yardley Harvest Day Festival as an entertainer, please email the Harvest Day Committee at [president@makefieldwomensassociation.org](mailto:president@makefieldwomensassociation.org)

The Yardley Harvest Day Festival is co-chaired by the Makefield Women's Association (MWA) and the Yardley Business Association (YBA). The Committee is comprised of a handful of MWA and YBA members working throughout the year to provide a wonderful community day for the purpose of raising funds to support their causes and charities.

The Yardley Harvest Day Festival does not receive any municipal, federal or public funds for this event. It is totally a volunteer event on the part of MWA and YBA.

Last year's Harvest Day Festival entertainment was a wonderful success and comprised solely of entertainers that donated their time and talent to provide a wide range of entertainment for all ages.

If you would like to donate your time to provide entertainment for the 2010 Harvest Day Festival, please let us know. Upon receipt of your email expressing interest, you will be contacted by the chairperson of the Harvest Day Entertainment Committee.

In appreciation for donating your time and talent to Harvest Day, you will be permitted to provide information at Harvest Day by way of business cards, a sign while you perform or hand-outs available for Harvest Day attendees to take home.

You will also be thanked publicly by the Committee in the post Harvest Day "Thank You" carried in local papers.

Harvest Day is attended by thousands each year. Your appearance as a Harvest Day entertainer is great publicity for you. It also not only showcases your talent to Harvest Day attendees, but let's them know that you "give back" to the community.

We hope that the 2010 Harvest Day entertainment line-up is as fantastic as it was last year.

Contact us. Be a part of the great community event.
