

MWA members assemble meals for Aid For Friends.

Aid for Friends—The membership gets together at St. Ignatius Church to put together up to 125 meals to be distributed to the needy. Our group supplies all the food for these meals. Each meal is spaghetti with meatballs, green beans, applesauce, bread or roll and a brownie or other dessert. A fun event for our members and we are sometimes helped by local girls scouts or other children's groups. Yet another way that MWA "gives back" to the Community. -

Fruits of our labors... rows of trays of food to be ready for distribution to the needy.

Happy faces—feeling good about what we do.

Our membership provides the food and assembles meals about every six weeks at St. Ignatius Church's kitchen. A fun time is always had by all.
