

# YARDLEY HARVEST DAY FESTIVAL

Recipient of Landmark Towns of Bucks County award: *Outstanding Special Event of 2010* and a "top pick" of *Bucks County Living Magazine's Out and About Section: "Our Top Picks of the Month—The 41st Annual Yardley Harvest Day.*

Last year's event showcased over 140 crafters and artists presenting items from every craft and art medium—fine art, pottery, fabric, glass, metal, jewelry, edibles, leather and so much more. We present snippets of just a sampling. There is something for everyone. Consider shopping for that special gift or start your Holiday shopping at the artists and crafters here.

In addition to great artists and crafters, everyone enjoyed the convenience and comfort of our sit down eating area adjacent to the Food Court after purchasing great food from our array of Food Court vendors. Please stop by and buy a hot dog and soda from the Yardley Makefield Firemen to support their fundraiser, too. At last year's event, pumpkins were waiting to be painted by kids, provided by Weidel Realty—entertainment was enjoyed by all at the Pavilion. Entertainment was provided by local talent, volunteering their talents for your enjoyment. Truly a wonderful family fun day for all.

Eating area for your comfort and enjoyment

Entertainment at the Pavilion

Just a peek at a corner of the Food Court.

Check out the MWA Harvest Day Raffle and buy your tickets.

As usual, last year's Harvest Day was well attended with thousands shopping, eating and having fun. Harvest Day is enhanced by its location in beautiful Yardley Borough, in picturesque Bucks County Pa. In addition to the quality artists, crafters, food vendors and entertainment, the success of Harvest Day is due in large part by the partnership of the Makefield Women's Association (MWA) and the Yardley Business Association (YBA) joining forces and forming a governing Committee which oversees all aspects of Harvest Day. The Committee will continue to maintain the integrity of Yardley's Harvest Day Festival.

The Yardley Harvest Day Committee is already working hard—preparing for another successful Harvest Day for 2011.

We look forward to seeing you at this year's event on Saturday, September 24, 2011
